11.3. The Council may decide at its discretion to authorise the use of its logo by other organisations or parties for partnership, sponsorship, promotional or other similar operations.

12. RULES FOR USING THE NZSTI INSIGNIA FOR FULL MEMBERS AND AFFILIATES

12.1. The NZSTI insignia for Full Members and Affiliates exists in two distinct versions, one for Full Members and one for Affiliates, and is made available to Full Members and Affiliates respectively for use in their personal marketing materials.

12.2. It is intended to help Full Member and Affiliate translators and interpreters market their services as individuals, and may not be used in connection with a company profile or tradename other than the Full Member or Affiliate’s own name. In the context of a company website, it may be used only in association with the personal profile of the Full Member or Affiliate concerned. Similarly, in a company email footer, the Insignia must be associated with the name of the Full Member or Affiliate concerned, not just the name of the company.

12.3. The NZSTI Insignia may only be used by Full Members and Affiliates to market the translation and interpreting services for which they hold Full Member/Affiliate status. For translators, this includes the specific language combination and direction for which they are recognised by NZSTI. The Insignia may not be used in a way that is misleading, or implies endorsement by NZSTI of skills other than those mentioned above. For example, if a translator is a Full Member for English to Spanish, but also undertakes work in Spanish to English or French to Spanish, it must be clearly indicated that the Translator Membership Insignia relates only to English > Spanish. This can be done, for example, by writing “Eng > Spa” underneath the insignia. Similarly, if a translator is a Full Member for English to Chinese but an Affiliate for Chinese to English, the Full Member Insignia may not be used in connection with both language directions. Instead, the Full Member and Affiliate insignias must both appear, and it must be clear which insignia relates to which language direction.

12.4. The official insignia may not be modified in any way. Furthermore, it must not be disproportionately large or dominant. It must be in proportion with the accompanying text, and it may not be larger than 6.25 cm².

13. RULES FOR USING THE NZSTI TRANSLATOR’S STAMP

13.1. The NZSTI stamp is issued individually to members of the Society solely for the purpose of certifying translations.

13.2. The NZSTI stamp may only be used by members of the Society for the source and target languages and language directions which have been approved for them by the Council.
13.3. The NZSTI stamp may not be used by affiliates or observers of the Society.

13.4. The NZSTI stamp may not be used by any other party or organisation.

13.5. The NZSTI stamp may not be reproduced, copied, plagiarised or reformatted in any way or form, be it hard material, electronic or else, neither by any member, affiliate or observer of the Society, nor by any other party or organisation.

13.6. The NZSTI stamp remains the property of NZSTI and is to be returned to the NZSTI in a timely manner when the member is no longer a member of the NZSTI.

14. RULES FOR USING THE NZSTI MEMBERSHIP CARD

14.1. The NZSTI membership card is issued individually to members and affiliates of the Society solely for the purpose of identifying their NZSTI status.

14.2. The NZSTI membership card may only be used by members and affiliates of the Society for the source and target languages and language directions which have been approved for them by the Council.

14.3. The NZSTI membership card may not be used by any other party or organisation.

14.4. The NZSTI membership card may not be reproduced, copied, plagiarised or reformatted in any way or form, be it hard material, electronic or else, neither by any member or affiliate of the Society, nor by any other party or organisation.

meeting of the Council.

15.5. Resumption of Practice by Retired Members

shall be removed from the Register of Members.

17.2. By Purging of the Registers
If any member is more than three months in arrears on any payment due from
him/her to the Society, and fails to pay such arrears within one month after a
written reminder has been sent to him/her, then his/her name may be struck
off the Register of Members, whereupon he/she shall cease to be a Member,
but shall nevertheless still be liable to pay the arrears; however, this provision
shall not compel the Council to remove a Member's name if there is a special
circumstance causing the Council to be satisfied that the Member's name
should not be removed.

17.3. By Expulsion
The Council may, by a two thirds majority of Council members present at a
meeting thereof and with a quorum for this purpose of no less than 4 Council
members, expel any person who has wilfully or negligently contravened the
Constitution or Bylaws of the Society, or who has been guilty of conduct
which, in the Council's opinion, makes it undesirable for them to continue to
be a Member of the Society. Such person shall be given at least 30 days
notice of the proposed expulsion. The Council may call such person to a
Meeting of Council to examine the matter, and the person concerned shall
have the right to appear before the Council to explain their case.

Deliberations and voting on ratification shall be held in the absence of the persons admitted or reinstated, except that persons reinstated may explain their case to the Meeting of the Council. Decisions of the Council regarding admissions and reinstatements shall be deemed to have taken effect as from the date of the relevant decision of the Council, except that no moneys shall be reimbursable by the Society solely on the grounds of such a decision of the Council Meeting regarding an admission or reinstatement.

19.2. Ratification of Expulsions
Each expulsion from the Society shall be subject to ratification by the next Annual General Meeting of the Society, and this shall be the first item of business on the agenda, whilst the outgoing Council is still in office. To stand, an expulsion must be ratified by a two thirds majority of Members present. Deliberations and voting on ratification shall be held in the absence of the persons expelled, except that persons expelled may explain their case to the Annual General Meeting. Decisions of the Annual General Meeting regarding expulsions shall be deemed to have taken effect as from the date of the relevant decision of the Council, except that no moneys shall be reimbursable by the Society solely on the grounds of such a decision of the Annual General Meeting regarding an expulsion.

20. ADMISSION, EXPULSION, AND REINSTATEMENT OF AFFILIATES AND OBSERVERS
The same provisions as regard admission, expulsion, and reinstatement of Members shall apply to Affiliates and Observers, except that Affiliates and Observers may remain Affiliates and Observers upon retirement from their profession.

which, in the Council's view, is harmful to the profession and should be penalised. The Council may call such person to a Meeting of Council to examine the matter, and the person concerned shall have the right to appear before the Council to explain their case.
